(1) Your group's benefit period is based on a Calendar Year which runs from January 1 to December 31.

(2) The Network Total Maximum Out-of-Pocket (TMOOP) is mandated by the federal government. TMOOP must include deductible, coinsurance, copays, and any qualified medical expense.

(3) Services are provided for acute care for minor illnesses. Services must be performed by a Highmark approved telemedicine provider. Virtual Behavioral Health visits provided by a Highmark approved telemedicine provider are eligible under the Outpatient Mental Health benefit.

(4) Services are limited to those listed on the Highmark Preventive Schedule (Women's Health Preventive Schedule may apply).

(5) Emergency Room Services that are Out of Network will process at the In-Network Level

(6) Coverage for eligible members to age 21. Services will be paid according to the benefit category (e.g. speech therapy). Treatment for autism spectrum disorders does not reduce visit/day limits.

(7) Treatment includes coverage for the correction of a physical or medical problem associated with infertility.

(8) Highmark Medical Management & Policy (MM&P) must be contacted prior to a planned inpatient admission or within 48 hours of an emergency or maternity-related inpatient admission. Be sure to verify that your provider is contacting MM&P for precertification. If this does not occur and it is later determined that all or part of the inpatient stay was not medically necessary or appropriate, you will be responsible for payment of any costs not covered.
