

Lenovo is pleased to announce that Wabtec employees in the U.S. now have access to the Lenovo Employee Discount Program.

This program allows employees to purchase discounted Lenovo products at a discounted price compared to the prices on the public website (prices posted on the website are already discounted / 10% price reduction as a standard).

To do so, simply log in to the online site and create a new account with your business address (@ wabtec.com).

Please note that:

- Delivery times vary depending on the product purchased (2 to 3 weeks for configurable products, 3 to 5 days for other standard products if they are in stock)
- Deliveries are made within the USA only
- payment by credit card (AMEX, Visa, MasterCard and Credit Card), PayPal and bank transfer

Should you have any complications creating your account or log, please contact Andrew Giles at 919-874-3577 or agiles@lenovo.com
